Celestyal Stories of Greek Hospitality

At Celestyal Cruises, one of our core values is based on the Greek word “Filoxenia”, meaning hospitality.

We are proud to offer the most immersive Greek experience on our ships by combining this legendary hospitality with the other elements that define Greece: culture, Enogastronomy (our legendary food and wine) and entertainment.

Culture and Heritage

We give you the insider’s view. Travelling to the Greek islands, we observe the different character of each island through traditional costumes, the history and the atmosphere, all of which have their roots in ancient years. Breathe the aromas of legendary destinations. Discover ancient Greek history and culture through onboard Greek dancing and cooking lessons and exciting shore excursions to unique archaeological sites.

Entertainment

We invite you to have fun the Greek way. LISTEN to music, chat and sounds of laughter. Let our resident bouzouki band take you in a melodic journey through Greece.

Life on board is all about genuine Greek entertainment, traditional and contemporary music, live shows, Greek dance lessons and parties.

EnoGastronomy

In other words, the very best of local Greek food and wine. We bring out the best in Greek cuisine for our guests. Our onboard dishes are made with extra virgin olive oil and fresh products. We offer the best Greek olive oil of premium quality, selected by Greek specialists. Onboard sommeliers will present some of the most prized Greek wines and will encourage you to taste them. Let us guide you through the gastronomic journey of Greek cuisine and the secrets of the finest Greek wines.

NEW Idyllic Aegean 7 days

Experience
an immersive vacation!

Explore some of the most iconic sights of the Greek islands - and some of the most beautiful beaches - in just one week on Celestyal Cruises' new, seven-day Idyllic Aegean voyage. This unique, in-depth itinerary is way more than just the chance to experience five destinations in seven days.

What's really special is that the ship will spend one night in Mykonos and one in Santorini. This means you can enjoy a taste of authentic Greece, after dark. Discover the narrow alleys and buzzing bars and clubs of Mykonos Town, or watch the sunset over Santorini's volcanic cliffs, long after the day trippers have left.

With the comfort of our cruise ship as **your floating hotel**, Idyllic Aegean is all about choice, whether you're in search of culture, or simply want to relax on some of the most stunning beaches of the region. Spend lazy days soaking up the sun, from the stunning beaches of Milos to chic spots like Platis Gialos and Paradise Beach on Mykonos.

Idyllic Aegean is an effortless odyssey; immersive; superb value; and a chance to uncover the secrets of this beautiful region in whichever way you choose.

Tour **legendary archaeological sites** like Ephesus and in Crete, the Palace of Knossos, or lose yourself among the temples and wildflowers of dreamy Delos on a day-long visit from neighboring Mykonos. See the 2,000-year-old catacombs of Milos and wander round Plaka, the island's whitewashed hilltop capital.

You even have a choice between the ports of call. Would you prefer to explore Greece further? Spend a day in Samos, while the vessel sails on to Kusadasi, and discover its small forested coves. The vessel will drop you off in Samos in the morning and return from Kusadasi in the evening.

You can join this cruise in either Athens, Heraklion or Kusadasi.

1. Athens

The capital of Greece welcomes you with a panoramic view from Acropolis hill. Walk the streets where democracy and philosophy were born. Explore the city center, rich with ancient monuments, world-class museums, chic cafés, charming tavernas and unique shops.

2. Mykonos One overnight!

A cosmopolitan paradise that attracts celebrities, artists and socialites, famous for its beaches and its vibrant nightlife. You'll spend the night here, so there's ample time to discover the legendary nightlife, the pretty alleyways and cool bars of Mykonos Town after dark and the gorgeous beaches, or ancient Delos, by day.

3. Milos

A geological marvel and home to a wonderful selection of diverse and beautiful beaches. Take a tour and enjoy the breathtaking landscape of Sarakiniko beach, or visit the whitewashed capital, Plaka, spilling over a hilltop. Nearby, there are 2,000-year-old catacombs to explore.

4. Santorini One overnight!

Sprinkled like sugar over sheer, black volcanic cliffs, Santorini's capital, Fira, is a sight to behold. Wander the narrow streets or venture along the cliff top to pretty Oia for breathtaking views, or across the island to the intriguing archaeological excavations at Akrotiri. You'll overnight here with two full days and a chance to watch the blazing sunset from a ringside seat.

5. Heraklion

Capital of Crete and a former Venetian harbor with intriguing architecture. The Archaeological Museum is packed with invaluable treasures and the city is just a short drive to the Minoan Palace of Knossos, home to Europe's oldest civilization and the setting of the legend of Theseus and the Minotaur.

6. Kusadasi

This beach resort town is famous for its beautiful marina and its colorful bazaar but mostly because of its proximity to the Hellenistic ruins of Ephesus, the ancient city famed for the Temple of Artemis, one of the Seven Wonders of the Ancient World.

or

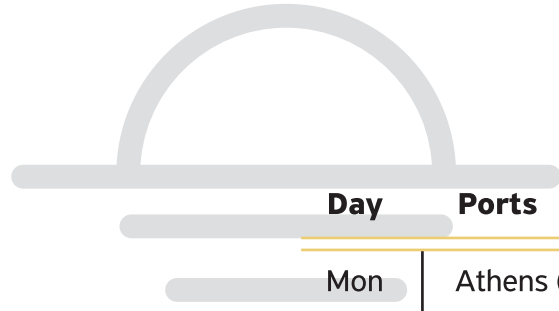

7. Samos

Spend a day in pretty Samos. This is the birthplace of some of the greatest minds of Ancient Greece, including Pythagoras. Don't leave without tasting the delicious local Samian wine, or swimming off lovely Tsamadou beach. Alternatively, visit the archaeological site of Heraion.
