Passionate about sailing

When the orders ring out over the deck and the crew climbs the rigging to hoist the sails, every single manoeuvre brings a centuries-old ritual back to life. Nothing is automated, and every manual operation can be watched from close up. On board the *SEA CLOUD* and the *SEA CLOUD II*, tradition is still given top importance: On these ships, sailing is not just for show – this is real manual work that time and again impresses both cruising novices and true enthusiasts.

While our sailing crew enters the masts to set the sails, down on deck our service team treats the guests to a first-class service. The entire crew is committed to ensuring that all of our guests on board – a maximum of 64 resp. 94 travellers from all over the world – experience a unique cruise that fulfils all expectations. Our personal service strives for passion and geniality to create an exquisite experience that you can enjoy at your own pace. In no time, this special combination of exciting sailing adventure and relaxed cruise will let you leave your everyday routine miles behind.

In 2019 again, the two tall ships will cruise through the most beautiful sailing regions in the world, offering you a varied programme with many highlights.

SEA CLOUD

The legend beneath white sails

A self-assured grande dame, a stylish yet informal sailing icon and a generous host – the SEA CLOUD is a living legend. In 1931 the American millionaire couple Marjorie Merriweather Post and Edward Hutton commissioned the four-masted barque and set about transforming the luxury private yacht into a stage for their eccentric lifestyle. Aristocrats and Hollywood stars, politicians and diplomats often graced the decks of this windjammer.

Even today, having been faithfully restored, every detail on board this yacht recalls the glory of a bygone age. With golden, swan-shaped taps, splendid marble fireplaces and French antiques, the SEA CLOUD exudes a timeless elegance and casual luxury. Rigid etiquette is nowhere to be found, not even in the oak-tabled restaurant. Sat at long tables, guests can enjoy the delicacies conjured up by the kitchen staff in a relaxed setting before retiring to a deck chair, to the lido bar or the cosy Blue Lagoon area for a moment of relaxation.

The SEA CLOUD welcomes each of her 64 guests on board like a long-standing friend – whether you are staying in one of its lovingly restored original cabins, a cosy outside cabin or one of the former officers' cabins. Forever the living legend, she combines extravagant charm with an authentic tall ship experience.

SEA CLOUD II

Luxury cruise meets sailing experience

The SEA CLOUD II represents exclusive cruise pleasures in combination with a traditional sailing experience at its best. The three-masted barque, built in 2001, offers all the amenities of a modern cruise ship whilst remaining a quintessential windjammer.

This tall ship bears all the hallmarks of its older sister, the legendary SEA CLOUD, and yet still has a charm all of its own. With its four expansive decks as well as the generous range of facilities on offer in its guest cabins, the SEA CLOUD II proposes exclusive comforts that are sure to impress even seasoned cruise goers. A cappuccino in the elegant lounge; a spot of sunbathing on the lido deck or a quiet moment with a book in the library – on the SEA CLOUD II, you are spoilt for choice when looking for your favourite spot. In the gym, you will find dumbbells, bikes, treadmills and step machines for your preferred workout, after which the adjoining sauna area offers a further boost to your general well-being. Beyond that, we provide a range of spa services – massages and beauty treatments – at additional cost on board the SEA CLOUD II.

Our 29 de luxe outside cabins, 16 junior suites and two owner suites impress with their lovingly chosen fittings, while the generous decks offer plenty of room to unwind in comfort. As one of max. 94 guests, you can choose to relax in your cosy cabin, in the library, at the bar or in the elegant restaurant – enjoying the stylish ambience and magnificent views out to sea all day long.
